

**Southwest Acupuncture College Program
MSAc Prerequisite Requirements
Spring 2016**

Course Name	Course Number	Semester /CR hrs	Prerequisites
Chinese Medical Theory I & II	101/102	90/6	Enrollment in the program
Clean Needle Technique	103	8/0.39	Concurrent 112
Clinic Training Meeting	107	2/0.04	Concurrent with 1 st clinic at 100 level
Oriental Nutrition	111	45/3	101/102
Techniques of Acupuncture & Moxibustion	112	45/2.25	101/102, 131, 141 Concurrent 132, 142
Medical Terminology	115	30/0.66	Enrollment in the program
Introduction to Diagnosis I & II	122A/B	90/6	101/102
Point Energetics I	131	45/3	Concurrent 101/102
Point Energetics II	132	45/3	Concurrent 101/102
Point Location I	141	45/2.25	Concurrent 101/102
Point Location II	142	45/2.25	Concurrent 101/102
Clinical Observation I	151	52.5/1.16	101/102, 107, 201
Clinical Observation II	152	52.5/1.16	101/102, 107, 201 Concurrent 151
Oriental Physical Therapy I	161	45/2.40	Enrollment in the program
Tai Ji	171	15/0.50	Enrollment in the program
Biology	172	45/3	Enrollment in the program Beginning in Fall 2016, Biology will be a required prerequisite for admission
Qi Gong	181	15/0.50	None
Clinical Competency Exam	190	0/0	101/102, 112, 122A/B, 131, 132, 141, 142, 203 Concurrent 191
Clinical Observation III	191	52.5/1.16	101/102, 107, 122A/B, 131, 132, 141, 142, 151, 203 Concurrent 152
Human Anatomy & Physiology	200A	45/3	Concurrent 115
Human Anatomy & Physiology	200B	45/3	Concurrent 115
Orthopedic Anatomy	200C	45/3	Required beginning Fall 2016 entry

**CPR/First Aid must be current for all clinical observation and internships
OSHA must be taken every Spring Semester**

			200A
CPR and CPR Refresher/First Aid	201/202	6/0.13	Must have if in clinic CPR for health care providers live class
Chinese Medical Theory III	203	45/3	101/102, 122A/B, 131 Concurrent 132
Oriental Physical Therapy II	205	45/2.40	101/102, 203, 211, 212, 231, 232
Clinic Training Meeting II	207	2/.0.04	Concurrent 250 or 1 st clinic at 200 level
Differentiation of Disease I	211	45/3	101/102, 122A/B, 131, 132, 203
Differentiation of Disease II	212	45/3	101/102, 122A/B, 131, 132, 203
Western Physical Exam & Lab Diagnosis	215	45/3	115, 200A, 200B
Needle Technique Practicum	221	45/2.25	101/102, 103, 112, 203 Concurrent 200-Level Clinic, 212
Western Pathology and Diagnosis I	222	45/3	115, 200A, 200B
Point Location III	231	45/2.25	101/102, 122A/B, 131, 132, 141, 142, 203
Point Location IV	232	45/2.25	101/102, 122A/B, 131, 132, 141, 142, 203
Intermediate Clinical Diagnosis	241	45/2.25	101/102, 122A/B, 131, 132, 203 Concurrent 211, 271
Advanced Clinical Diagnosis	242	45/2.25	101/102, 122A/B, 131, 132, 203, 241, 271 Concurrent 212
Clinical Internship I	250	52.5/1.16	103, 112, 131, 132, 141, 142, 151, 152, 190, 191, 200A, 200B, 201, 203, 207, 211, 231, 241, 271 Concurrent 212, 221, 232
Clinical Internship II	251	52.5/1.16	103, 112, 131, 132, 141, 142, 151, 152, 190, 191, 200A, 200B, 201, 203, 207, 211, 231, 241, 271 Concurrent 212, 221, 232, 250
Clinical Internship III	252	52.5/1.16	250 (and all required coursework for 250) Concurrent 251
Clinical Internship IV	253	52.5/1.16	212, 221, 232, 241, 242, 251, 271 Concurrent 252
Clinical Internship V	254	52.5/1.16	212, 221, 232, 241, 242, 251, 271 Concurrent 252
Clinical Internship VI	255	52.5/1.16	212, 221, 232, 241, 242, 251, 271

CPR/First Aid must be current for all clinical observation and internships
OSHA must be taken every Spring Semester

			Concurrent 252
Clinical Internship VII	256	52.5/1.16	200C, 215, 222, 253, 291, 301, 302, 332, 341
Clinical Internship VIII	257	52.5/1.16	200C, 215, 222, 256, 291, 301, 302, 332, 341
Chinese Herbal Patent Medicines	261	45/3	162, 204, 211, 212, 241, 242, 262, 311, 322
Chinese Medical Theory IV	271	45/3	101/102, 122A/B, 131, 132, 141, 142, 203
Clinical Counseling	272	45/3	101/102, 122A/122B, 151 Concurrent 152 and 203
Pharmacology	291	45/3	115, 200A, 200B, 222, 301 Concurrent 332
Clinical Internship IX	292	52.5/1.16	200C, 215, 222, 256, 291, 301, 302, 332
Clinical Internship X	293	52.5/1.16	200C, 215, 222, 256, 291, 301, 302, 332
Western Pathology and Diagnosis II	301	45/3	115, 200A, 200B Preferred 222
OB/GYN	302	45/3	211, 212, 221, 231, 232, 241, 271
Western Pathology and Diagnosis III	332	45/3	115, 200A, 200B Preferred 222 and 301
Public Health/Epidemiology	335	45/3	Concurrent 101/102
Advanced Needle Technique & Palpatory Diagnosis	341	45/2.50	112, 221, 250, 251, 252 Concurrent 200 or 300-Level Clinic
Practice Management/Medical Ethics	382	45/3	Preferred last year in program
Needle Technique Microsystems	400	45/2.50	112, 221, 250
OSHA	402	2/0.04	Must take 1 st spring semester
OSHA	403/404	1/0.02	Must be taken each spring semester after initial 402 training
Specialty Topic	440	45/3	Determined by elective offering that fulfills credit
Specialty Topic	445	45/3	Determined by elective offering that fulfills credit
Specialty Topic	450	45/3	Determined by elective offering that fulfills credit
Specialty Topic	455	45/3	Determined by elective offering that fulfills credit

CPR/First Aid must be current for all clinical observation and internships
OSHA must be taken every Spring Semester
