

## ACUPUNCTURE CONTINUUM

My name is Karen Sulger, and I write to you from my office in sunny Encinitas. I've run my practice, Acupuncture Continuum, for nearly 25 years... and now I'm ready to semi-retire out of state!

I'm writing to let you know that I have put my practice, Acupuncture Continuum, on the market. This is a wonderful opportunity for an enterprising chiropractor who would like to step in to or manage a lucrative, thriving practice. If you are interested, take a look, or please feel free to forward this detailed listing:

Towards the end of my career, I'm very happy with what Acupuncture Continuum has become: a **well-reputed practice** that provides a **very comfortable living, with a flexible, part-time schedule**. Here are a few more things I love about it:

- **Six-figure income** with **part-time** office hours
- **Low rent** for a fantastic suite within a medical office building (with many referring MDs as neighbors)
- **Well-known** by community and local providers alike
- **Flexibility** to sublease space, bring on associates (or not!)
- **Beautiful** clinic (see photos in listing) in a **very convenient location**
- Steady stream of **new and existing clients**, even through Covid
- **Loyal clientele** awaits **new owner** that I'd **vet.**
