EDUCATING TODAY'S STUDENTS IN TOMORROW'S MEDICINE

Southwest Acupuncture College is seeking an additional Public Member for our Advisory Board to represent the interest of their community in Colorado or New Mexico and as a constituency of our educational institution.

Our Advisory Board serves the College with the purpose of providing guidance to the institute in the development and fulfillment of its mission including:

- Offering support and oversight in the planning and attainment long and short-term goals.
- Promoting standards of higher education suitable to the field of acupuncture and Oriental medicine.
- Encouraging sound fiscal operation by the College through oversight and input regarding College finances.
- Representing the public interest in the field of acupuncture and Oriental medicine in education and practice.
- Facilitating good relations between the College and the community at large.

A public member is any person located in either Colorado or New Mexico who is interested in these goals and is not presently a member of the staff or faculty of Southwest Acupuncture College nor an acupuncturist.

Members serve for a term of two (2) years. The Board holds three meetings per year, usually in April, July, and October via video conference, from 6pm-9pm. In the event of an in-person meeting being necessary in Santa Fe, the College will provide travel and accommodations expenses for members located in Boulder. Any new Public Member would need to be confirmed at our next Advisory Board meeting in April of 2021.

If you are interested in this opportunity, please forward a letter of intent and curriculum vitae to Dr. Paul Rossignol, DOM at Paul@acupuncturecollege.edu.
