Job Description

Licensed Acupuncturist - START DATE ASAP

Integrated Acupuncture Associates (IAA) was established in 2009 with three locations in the Denver metro area. We are hiring for a talented, Colorado-state Licensed Acupuncturist to practice part-time with two other practitioners at the Brighton location.

WE ARE LOOKING FOR A NEW GRAD, NO EXPERIENCE NECESSARY! TRAINING

PROVIDED! This is an independent contractor position with a starting pay rate of \$25 per hour. Paid training to start immediately, full compensation after training period and acupuncturist is ready to see patients unassisted. Seeking a candidate who can comfortably run a clinic by themselves with regular support from the owner. Must be available Monday, Wednesday, Friday and Saturday from 9 a.m. to 5 p.m., with potential for half days/hours flexibility. All back-office admin, marketing, and supplies are provided so you can focus on healing patients.

Summary of Essential Job Functions

- See two patients per hour running two rooms (new patients typically take one hour).
 - Assess patient conditions by conducting brief health history and interview, observing patient and interpreting findings.
 - Document patient treatments in Optimantra electronic health records system (must bring own laptop; Optimantra training provided).
 - Evaluate effects of treatments by observing, noting in Optimantra system, evaluating patient's progress and modifying when necessary.
 - Educate patients on the quality of life benefits of consistent acupuncture care and provide a recommended course of treatment.
 - Be willing to pick up other shifts during the week to cover other clinicians, as needed.
 - Maintain safe and clean treatment environment:
- Adhere to Clean Needle Technique protocols.
 - Comply with mask mandates and wear masks upon request, as needed.
 - Adhere to other applicable procedures, rules, regulations, and laws.
 - Sanitize surfaces, perform light cleaning (dust/vacuum, trash removal) and restock supplies as needed.

Minimum Requirements and Qualifications

- Master's Degree in Acupuncture or Oriental Medicine from an accredited institution.
- Current Acupuncture license in Colorado.
- Current malpractice and liability insurance.
- Willingness to work with a large Veteran patient population and learn the documentation skills required.
- Exceptional time management and ability to treat two patients per hour including time to schedule and take payment.
- Confidence in developing and delivering treatment plans.
- Energetic, confident and positive disposition.
- Willingness to educate community on benefits of acupuncture.
- Maintain a professional and clean clinical appearance.

Preferred Qualifications

- Minimum qualifications listed above.
- Willingness to be trained in the Pulse Balancing Method, magnets and moxibustion

Offer Summary

- Competitive compensation: \$25 paid hourly when patients are scheduled. Not per patient, regardless if patient shows up for their appointment.
- Three-month initial probationary period allowing either party to terminate the contract if there is a change of heart. Possible increase in pay depending on performance after the first year. Working interview is required.
- Ability to see patients other days of the week and at potential new clinic locations as scheduling dictates and practice grows.
- Will have the clinic to yourself on your scheduled shifts, no other practitioners or front desk support.
