

Our Mission

Southwest Acupuncture College is a classical school of Oriental medicine offering an accredited professional degree program leading to a Master of Acupuncture (MAc) or a combined Master of Acupuncture (MAc) with a Chinese Herbal Medicine Specialization.

With the primary responsibility of educating students to become independent healthcare providers, our foremost goal is to provide excellence in the education of those prospective practitioners. A concomitant goal of the college, to cultivate service to the community in this emerging field of effective medical care, is fostered in the curriculum and the educational format as well as the life of the college community through our on-site, low-cost, public clinic and numerous off campus extern clinics that offer free services. In order to accomplish the goals of sustaining the highest quality of education and promoting the greatest caliber and realization of professional performance, the staff and faculty are continually reevaluating the program and supporting areas of institutional activity, seeking ways to enhance and maintain the college's standard of excellence.

The Library is here to support
the Mission of the school.

A Guide to Library Books, Media & Online Resources

*“A Book is like a
House of Gold”*
Chinese Proverb

Southwest
Acupuncture College

The Collection

The Main collection consists of Acupuncture, Chinese Herbal Medicine, Western sciences and complementary healing practices. Relevant history, Chinese language and global health books are also available. We also have a Faculty Library, a Clinic Library and many Online Resources.

Who can borrow items?

Students, faculty, staff and alumni can check out books, media and magazines from the Main Collection. Laptops can also be borrowed for 3 weeks (Santa Fe campus).

Loan Policies

- Most items can be checked out for 3 weeks; no limit on number of items.
- Items can be renewed once unless there is a hold placed on them.
- Faculty can check out items for a semester from the Faculty Library.
- Reference & Reserve items cannot be borrowed but may be used in the library.

Welcome!

The Library is a resource of information. The librarians are here to help you find all you need for your course studies. If you cannot find something, please do not hesitate to ask us. We can also assist with research projects via databases and online resources.

Please contact the librarian to make an appointment for assistance.
