January 2021

Happy New Year!

Big changes are coming for 2021

The library will be moving to the main admin building in the Spring

This will allow the college to consolidate space, making it more convenient for students and faculty to access library resources.

Covid19 safety protocols will be in place to keep the students, faculty and staff safe

A mask must be worn at all times

Social distancing guidelines must be followed

Seating and directional guidelines must be adhered to

Everyone must sign in and have their temperature taken when first coming into the library building

We are excited to have you back and are looking forward to a rewarding and productive year.
