

Job description

Position Title: Acupuncturist

Position Summary: Our large, multi-disciplinary clinic has been operating in Loveland since 1995. We have currently expanded our presence in Northern Colorado and are looking for dedicated individuals who thrive in a fast-paced, patient-centered environment. At Scott Family Health, we offer a diagnosis-focused approach aimed at improving patient outcomes through the integration of chiropractic, acupuncture, massage and physical therapy. We foster a culture of professionalism, innovation, integrity, service and education. We pride ourselves in offering our patients unparalleled service in a friendly environment. Each individual plays an important role in ensuring our success by consistently providing high quality experiences to our patients.

We are in need of an Acupuncturist to deliver high quality, diagnosis-based treatments for our Fort Collins location. This position requires collaboration, common sense, and a diagnosis based practitioner. Visit our website at www.scottfamilyhealth.com.

The job is posted and can be found on indeed.com and ziprecruiter.com. Candidates can apply directly with a resume via email: jstype@scottfamilyhealth.com
